BACKGROUND STORY

<p>Varun Bakerfield developed his dog-eat-dog attitude growing up on the streets of Underbock [another slum in a major city] the shadows of the cosmopolitan city of Invasaad [or another major, advanced city.] To this day, he despises those born with a silver spoon in their mouths and the culture that they enjoy. <p>Supremely confident, he believes that what he lacks in book learning, he more than makes up for in raw intellect and street-smarts. Furthermore, he knows that if he can't win an argument with words, he can settle one with his fists, or his club "Widowmaker" just as easily. </p> | As a natural leader, people have always naturally been drawn to him. It is this natural charisma combined with utter ruthlessness that allowed Varun to rise through the ranks of the criminal underworld until he was ready to start his own thieves guild, the Bakerfield Family. From there he waged a war on the other guilds winning turf wars with violence and cunning until he and his guild were the only street level gang standing. | During his rise, to assure victory, Varun made a deal with a Lich named Ryxiltan. In exchange for a large portion of the guild's earnings, Ryxiltan used magic to permanently increase Varun's strength and leadership presence going as far as giving him the ability to bend weak-minded criminals to his will whenever he pleased. | Being a servant of a powerful Lich is not an easy task. Despite his success, Varun regrets the deal he made and is looking for ways to get himself out of it.
