BACKGROUND STORY

<p>Hailing from the far
coasts, Xo grew up in a
migratory tribe of wise
tortles. This tribe obsessed
over the kinds of blades and
weapons that could possible
harm them and, as such,
developed their skills at
crafting fine weapons,
grinding, and all trades
associated with these
processes.</p><p>Xo was
no different from the other
members of his tribe.
Except that he is the only
remaining son of the chief
of his migratory tribe. He
remains in close contact
with the other members of
his community but has
realized that most of his
tribe aspire to travel or to
grow their skills and wealth.
As the heir apparent, Xo
realized he would have to
take up the mantle of his
tribe and advance their
interests. He seeks no such
advancement but instead
simply to 'get by'. The
'simple life'. This, to Xo, is
more enjoyable. Particularly
when one can help others
and interact with the
diverse array of peoples
that frequent a
marketplace.</p><p>He
now operates primarily as a
grinder and sells various
accoutrements from his
cart. These range from
collectibles, like bells or
miniatures, to pragmatic
items, like pitons or
adventuring packs.</p>
