Secrets

Irini is married to her half-brother. Her father is the Greater Devil that is the family's patron

Background Story

Irini Dumas is the wife and half-sister of Nicodeamus Dumas and eldest granddaughter of Anastasia Dumas. She is Nicodeamus' second in command and the primary recruiter for the family. She is also the child of a union between Anastasia'a only daughter and the family's patron Devil. She is the high priestess of the family and helps her grandmother with all of the family rites and ceremonies dedicated to her father. She also has several children of her own with Nicodeamus most of whom have some degree of her devil heritage. In addition to that, she also has her /"children/", a group of lesser devils and minor undead (skeletons, zombies, ghouls, Scarecrows, poes, etc.). She is also responsible for recruiting initiates into the family, training new inductees and sacrificing those that don't make the cut.
