BACKGROUND
STORY

Corbrin is a decorated
military veteran of the
feared order of echo
knights. He lost his arm
quelling and insurrection
against the government
by Drow rebels. After
losing his arm, he no
longer felt capable of
front-line military service.
He was still a capable
fighter and knew his
weapons and armor well
and spent some time
training new recruits to
the military.

After that he moved to
the City Watch and
continued training
younger recruits.
Eventually he decided it
was time to retire from
service and live quiet and
stress-free for the rest of
his life. To that end, he
took a job working for an
old friend of his, selling
arms and armor from his
provisions shop. He is
knowledgeable and
friendly despite his
appearance and enjoys
imparting his knowledge
on anyone willing to listen.
