## Punch

**Introduction**

Giza can be found tending bar during busier times. She spends a lot of time performing accounting duties or writing letters to prospective breweries or suppliers of linens and other items required for her inn.

**Appearance**

Stiff and firm posture for such an elderly thiefling; light purple skin that falls in shades of red and pink; horns pulled back tightly in a c shape from her brow to the back of her head; tumbling black hair beneath which a side cut is shaved around the circumference of her head.

**Expressions**

"Oy, you got some menacing talents back up that (battle-axe, sword, etc). "I can fill ya up with some goodness, your feelin ragged from the trail, eh?" "Whateva ya lookin fo, I can promise you got at least a facsimile of it in libation form, eh?"

**Mannerisms**

Spins and almost dances whilst serving patrons; speaks dramatically with equally dramatic gesticulation; diligent and noticeable work ethic and attention to detail; Always committed to making 'safe spaces' for those that don't fit in well to broader society

**Motivations**

Giza ardently seeks to create comfort in a harsh world. She does so tirelessly making as many attempts as possible to dull conflict or division with a warm or tasty libation.

**Passions**

Serving others; Making safe spaces for those that don't fit in to broader society
