The TwoHills clan has been the local Firbog tribe's caretakers of the dead for centuries and Dor is no different. He genuinely cares for the dead and their families, loves the quiet and peacefulness of his inherited profession. He is a devout follower of the nature goddess Lallanis and draws his powers from her. His garden and chapel are lush and well kept, with an elegant manner of flora and fungi. He is always welcoming, although he always keeps a close eye on the Firbolgs when they're around. He wears a garland of flowers that he wears around his neck at all times is a holy symbol that he uses as his spellcasting focus.
