## BACKGROUND STORY

Dimri, or Clodhopper as his friends call him, (and everyone is his friend) is the life of the party. And in satyr society that's saying something! Friendly, outgoing, gregarious and boisterous: he has never met a wine he wouldn't drink or a creature he wouldn't sleep with. He lives for the revels and deserves being an accomplished musician, would rather lead the crowd in a traditional singalong, than pursue an actual career in it. If it's not part of a party, he's just not interested, though he will happily share his life's philosophy with anyone who will listen.
