Proficiencies -

Proficiency Mod - +4

Languages -

Common Elven Dwarven
Orcish

Adjectives -

Special Abilities -

Special Equipment -

Combat Tactics

Morion is a very dangerous opponent. Particularly because he is rarely alone and usually accompanied by a number of warforged warrior priests. As a combatant he will often use divine abilities to manipulate the situation before charging forward with his Compelling Maul.

Image Dummy

ROLEPLAYING

Introduction

Hooves clomp on the ground Warrior priests approach on horseback clad in lush robes. "Make way for the caravan!"

Appearance

Clad in ornate plate over lush robes of grey and white. Detailed with Coins. Long, braided golden hair.

Expressions

"Coin demands Order and thus trade rules our way forward", "We are only divided by our ability to create wealth"

Mannerisms

Near perfect posture. Never wastes energy on gestures or words. Makes clear and concise statements and movements.

Motivations

To advance venture capitalism. Morion desires that all societies operate as mercantile communities.
