## BACKGROUND STORY

Dimiri, or Clodhopper as his friends call him, (and everyone is his friend) is the life of the party. A member in satyr society, that's saying something! Friendly, outgoing, gregarious and boisterous, he has never met a wine he wouldn't drink or a creature he wouldn't sleep with. He lives for the revels and despite being an accomplished musician, would rather lead the crowd in a traditional singalong than pursue an actual career in music. It's not part of the party, he's just not interested, though he will happily share his life's philosophy with anyone who will listen.
