Special Equipment

- Varun's great club, "Widowmaker", is never from his grasp. It was imbued with a strong magic that makes it easier and faster to wield by the Lieutenants, whom he secretly serves. Mechanically, it is a +3 magic weapon. Varun has had this club since he was a teenager, living on the streets of Underboot [or any slum in the major city whose criminal underworld he now runs]. He could barely wield it then.
