BACKGROUND  
STORY

Corbrin is a decorated  
military veteran of the  
feared order of echo  
knights. He lost his arm  
quelling and insurrection  
against the government  
by Drow rebels. After  
losing his arm, he no  
longer felt capable of  
front-line military service.  
He was still a capable  
fighter and knew his  
weapons and armor well  
and spent some time  
training new recruits to  
the military.

After that he moved to  
the City Watch and  
continued training  
younger recruits.  
Eventually he decided it  
was time to retire from  
service and live quiet and  
stress-free for the rest of  
his life. To that end, he  
took a job working for an  
old friend of his, selling  
arms and armor from his  
provisions shop. He is  
knowledgeable and  
friendly despite his  
appearance and enjoys  
imparting his knowledge  
on anyone willing to listen.
