## BACKSTORY

Horatio came from a poor part of the city. He worked his way through school. Because of his upbringing, he was the sleazy side of the town. He was concerned with himself rich than actually making money. He's not sure if it is done. He's not sure but will happen. He's down the river. He's a bit of internal. He's the things he does for more. He's caused him to drink. He's drinking problem.
