"Prepare to be boarded". "Well what kind of treats have we here mateys?", "Feed them to the sharks!"

He walks with a flourish like he's imitating Errol Flynn with a peg leg, even though he doesn't have a peg leg

Booty and violence for the sake of booty and violence

Pirate history. He's a fanboy for famous the pirates that came before him and really wants to be them

His real name is Wendell Smith and he was born in a wealthy suburb

Growing up in a wealthy port-side community, Doomsmith heard racy stories about the audacious raiders and local pirates. He thus became fascinated with pirates at an early age. His parents paid for yachting lessons for him and encouraged his hobby and role playing. When his parents died in a tragic carriage accident, Doomsmith cracked, stole a ship, renamed it "The Skurge" and headed out to sea. He used what was left of his parents' monies to recruit a loyal crew and head of state to emulate his childhood hero's. In the time since, he has developed a reputation for ruthlessness if not necessarily efficiency. He is definitely not fond of anyone calling his bluff.
