## BACKGROUND

---

Methuselah "Thuse" Cade may be one of the greatest investigators in the world. She began her career as military police, learning investigation and interrogation techniques in addition to her martial training. After her military obligation was done, she left and became a Watch Detective.

She quickly established a reputation as one of the most thorough and effective investigators the ranks had ever seen, despite not necessarily doing so "by the book". Her unorthodox method ruffled many a feather in the ranks of the guard and city watch, as did her willingness to investigate any case till its conclusion. Even if that conclusion was her superiors, city or church officials.

One such investigation involving several missing children pointed to a local temple and she was murdered for her trouble. Thuse is a Revenant. Returning from the dead with a mandate to hunt and reek vengeance on child killers. In the meantime, she takes any cases she finds interesting to pass the time.
