BACKGROUND STORY

Driven out of his clan when
he was challenged by a
younger, stronger Bugbear
for the role of pack alpha,
he went into exile rather
than die fighting for
leadership. He wandered for
several years fending for
himself before he was
captured by slavers and
sold into servitude as an
enforcer/security. He found
that he relished his new role
as it provided a steady
meal, a frequent outlet for
his aggression and as little
thinking as possible
