# BACKGROUND STORY

Horatio grew up in the poor  
part of the city and worked  
his way through law school.  
Because of his upbringing,  
he's a little on the sleazy  
side and more concerned  
with making himself rich  
than he is actually making  
sure justice is done. He's  
good at his job, but will  
happily sell his clients down  
the river for his own benefit.  
He does have a little bit of  
internal struggle about the  
things he sometimes does  
for money and this has  
caused him to have a bit of  
a drinking problem
