## BACKGROUND STORY

Growing up in a wealthy port-city community, Doomsmith heard many stories about the audacious raids of local pirates. He thus became fascinated with pirates at an early age. His parents paid yachting lessons for him and encouraged hobby and role playing. When his parents died in a tragic carriage accident, Doomsmith cracked, stole a ship and renamed it "The Skurge" and headed out to sea. He used what was left of his parents' monies to recruit a loyal crew and head out to emulate his childhood hero. In the time since, he has developed a reputation for ruthlessness if not necessarily efficiency. He is definitely not fond of anyone calling his bluff.
