ROLEPLAYING

Introduction

Often encountered while working a contracting job on a home or business, such as a tavern or inn.

Appearance

Stout and muscular - barrel shaped; 5'5"; Tanned reddish brown skin; Deep brown dreadlocks with blonde highlights

Expressions

If you got a need, I do the deed

Poor craftsmanship. Damned elves/humans couldn't build quality if they tried

Mannerisms

Always pointing out the differences between the races yet can't tell the difference between members of the same race.

Motivations

A paradoxically deeply racist multi-racial individual, Albrecht experiences his greatest joy when human or elven populations are diminished in numbers. He is also highly driven to have a hand in as many building projects in his current town or city so he can brag about his renown.

Passions

Woodworking; puzzles; racism

Secrets

He's pretty upfront about everything
