BACKGROUND STORY

<p>Thaerus is a water
Genasi and, like most
Genasi, she sometimes
struggles to fit in to a
society where she rarely
sees another living being
that looks like her. Unlike
most Genasi, she was not
abandoned by her Djinn
parent (in her case, her
father Cryxistmalin).
Instead, she was
abandoned by her half-elf
mother on the steps of a
monastery several days
travel from the home where
she was born.</p><p>Growing up in the
monastery, Thaerus
excelled in her monastic
training and grew ever
more proficient in the art
of fighting with her preferred
weapon, the spear.
Cryxistmalin would
occasionally visit Thaerus
secretly as a child and tell
her stories of a long lost
village by the sea that was
settled by the Genasi
children of a handful of
water Djinn who somehow
found each other in the
world. </p><p>Thaerus
believed this story to be
entirely fiction through her
childhood and adolescent
years, and would likely still
believe so today if she
hadn't witnessed her
father's murder; a
punishment for revealing
this secret to her
administered by another,
more powerful Djinn.
Cryxistmalin used his last
dying breaths to hide
Thaerus from the eyes of
Djinns who would see to
have this secret die along
with imbuing her weapons
with elemental magic and
providing her with a large
sum of wealth.</p><p>Today, Thaerus is
obsessed with finding this
lost city, learning why it's
existence is such a strongly
protected secret and
avenging her father. She
has invested her
inheritance from her father
in the development of an
archeological exploration
company that she uses to
track down this settlement
and unearth other secrets
of the realm's past along
the way.</p>
