BACKGROUND STORY
Dimri, or Clodhopper as his friends call him, (and everyone is his friend) is the life of the party. In satyr society, that's saying something! Friendly, outgoing, gregarious and boisterous, he never met a wine he wouldn't drink or a creature he wouldn't sleep with. He lives for the revel and despite being an accomplished musician, would rather lead the crowd in a traditional singalong, than pursue an actual career in it. If it's not part of the party, he's just not interested, though he will happily share his life's philosophy with anyone who will listen
