## ROLEPLAYING

### Introduction

A face peers up from behind a basket of flowers being watered. "I see the hoodlum convention is in town again," the woman says from one side of her mouth.

### Appearance

Paralysed on her left side, Moss walks by lifting one graceful, strong leg, then stamping and clobbering the floor with her rigid half. Her face is half frown, lips curled down, and half expressive. White stripes streak her roiling black curled hair.

### Expressions

"Woman's oldest profession, next to seamstress..."; "Men are nuts"; "Take in, dearie, take in."

### Mannerisms

A facial tick causes Moss to wince, the right side of her face folded into ridges, while the left side of her face remains unmoved in its permanent sadness.

### Motivations

Moss leads a simple life, finding pleasure in tending gardens and arranging bouquets. She is meticulously clean, believing that to scrub is to be free.

### Passions

Moss loves flowers, especially perennials
