**BACKGROUND
STORY**

The racial mixing
between Elves and
Humans is no mystery.
The two races, each
believing themselves the
noblest in the realms,
inevitably settled in the
same regions and would
inter-marry. The
DeFeywilde family are an
example of how the nobles
of each racial lineage
sought to establish a
peaceful and lasting bond
through the creation of a
mutually beneficial
political and racial
ideology that served the
best interests of both
humans and elves.
Pyc has cultivated this
lineage and pursued the
proliferation of peace
throughout the realm. She
has been taught that
nobility is not a birthright,
but something established
through action and self-
presentation. Her clan
would labor over textiles
and fabrics to develop a
standard of regal dress
that they believed ought
to be held by all members
of the kingdoms. She
doesn't frown on those
who aren't well-kempt, nor
does she sympathize.
Rather, she genuinely
empathizes with those
who have resigned
themselves to the 'less
finer' things in life and
advocates for the vital role
that one's self-
presentation takes in daily
activities and overall
destiny.
