BACKGROUND STORY

Rutgard grew up poor in a small mining town with not much in the way of prospects. He was a big lad and a bit of a scrapper, but had always expected to grow up and work in the mine. Unfortunately, by the time he grew up, the mine had run dry and most of the town had moved on. Setting off to find his fortunes elsewhere with a cheap suit of leather armor and a cheap sword and bow, he quickly found work on the more unsavory side. His boss rounded up a group of like-minded, impoverished youngsters and set them loose robbing travelers and merchants along the less policed travel routes. Proving a good fit for him, Rutgard was soon given his own crew.
