Mannerisms

Timid at first glance but courageous in spirit, Chloe will often avoid engaging with others; Order/task oriented - goes from standing still to pointing and gesturing to the next task at hand; Most often found reading through her list of ingredients for her wines and her methods of making them; Sometimes throws a wrench in the gears of watchkeeping

BACKGROUND STORY

<p>Born and bred in the middle class market district of the city of Johseville [Any major city], Chloe gained both a taste for and disinterest in bourgeois comforts. She was particularly notorious for getting so drunk on cherry or apple wine that her teeth would turn colors. to her life, Chloe turned back to wine. She's been charged with dereliction of duty on numerous occasions. However, since her parents are high-ranking political advisors she has protection against any kind of discharge from her duties. Consequently, she floats through her duties during the day and returns to her passion for winemaking at night. She has a small tent outside of her family home within which she practices the art of decanting late into the twilight hours.
