BACK STORY

When Ronn appeared about a year ago, he was a human male, around 17 years old, that swam from the sea into the town of Yenar. Ronn is a very intelligent mortal, with a lot of knowledge about the world, and a satchel full of magical items. He is a merchant, and his alchemy is very good. Consecrated ground is a safety by the sea, and an adventurer to protect the town. Ronn is to maintain the guidelines for the town, to gain unwelcome attention, permit free trade, not scare others, and whom they fear. Ronn has a wanderlust, and one town, and more than one town. Ronn spread their wealth, and accumulated wealth. Asexual, without any confirmation, they require a variety of a pronouns with them.
