**BACKGROUND  
STORY**

<p>The racial mixing  
between Elves and Humans  
is no mystery. The two  
races, each believing  
themselves the noblest in  
the realms, inevitably  
settled in the same regions  
and would inter-marry. The  
DeFeywilde family are an  
example of how the nobles  
of each racial lineage  
sought to establish a  
peaceful and lasting bond  
through the creation of a  
mutually beneficial political  
and racial ideology that  
served the best interests of  
both humans and elves.  
</p><p>Pyc has cultivated  
this lineage and pursued  
the proliferation of peace  
throughout the realm. She  
has been taught that  
nobility is not a birthright,  
but something established  
through action and self-  
presentation. Her clan  
would labor over textiles  
and fabrics to develop a  
standard of regal dress that  
they believed ought to be  
held by all members of the  
kingdoms. She doesn't  
frown on those who aren't  
well-kempt, nor does she  
sympathize. Rather, she  
genuinely empathizes with  
those who have resigned  
themselves to the 'less  
finer' things in life and  
advocates for the vital role  
that one's self-presentation  
takes in daily activities and  
overall destiny.</p>
