"Don't low-ball me, just look at the quality of this filigree! It's not my first day out of the woods"

Mannerisms

Always smiling, rubs his hands up and down his forearms

Motivations

Improving his craft, growing his business, training his children in the family trade

Passions

He sees himself as an artisan and loves his work

Secrets

A cantrip passed down for generations in his family that makes hides more pliable to work with and harder when they set
