BACKGROUND
STORY

Grien has survived
and witnessed many wars,
local and national, in her
700 odd years. Over this
time, she's grown tired of
seeking wealth and those
who subscribe to such a
lifestyle. She's also
abandoned religion and
the Gods around which
that institution has been
fashioned, often jokingly
dismissing them as
nothing other than
hallucinations of madmen
in search of power
Over her many years
she has gathered near
perfect skills as an
herbalist, practicing
doctor, and distiller of fine
salves, ointments, and
potions. She is rarely
without the support and
oversight of her three
assistants: Yemen, a
young half-orc woman
ostracized by her tribe
who reveres Grien's
wisdom and abilities; Tsk,
an aging Kenku who has
sworn his life to Grien for
the healing she provided
him when he suffered
from a major medical
condition; and Miles, a
warforged veteran of the
militia who fled the
military of the nearby
region and found peace
and solace in Grien's
teachings and in service to
her and her shop.
Grien sells medicinal
goods, potions, chemicals,
and provisions of all sorts.
