Combat Tactics

Glohrimoore is essentially fearless. Particularly if faced with what he perceives as an evil combatant. Of course, this has its pros - that he is a brave fighter - *and* its cons - that he is foolhardy in battle and takes short-sighted risks.

Background

Glohrimoore is a smith, born and bred, but not what one might imagine from a hard-working Mountain Dwarf. While fully committed to his Deity, Moradin [Any central Dwarven Deity], he sees the forge more so in terms of its dependence upon fire and light. As a youngster, he was always fascinated with the forging processes, but his attention was more focused on how fire and light were the central mechanism for the greatest creations. He turned his attention away from weapon and armor crafting and instead towards the construction of the finest lanterns for travellers, city streets, and beyond.
