# ROLEPLAYING

## Introduction

Either through introduction from one of his lieutenants, by infiltrating his manor, or by committing a big enough crime

## Appearance

Broad shoulders, no neck. Big, powerful. Huge hands. Acne scars, dark, thinning hair, olive skin

## Expressions

"You may bow to the queen, but I run these streets"; "I know what it's like to be poor and hungry. Rich is better."

## Mannerisms

Constantly looking to physically dominate those in his presence. Iron like handshakes, hard slaps on the back, etc

## Motivations

Amassing wealth to validate his intellect to the city's elite and getting out of the deal with the Lich Ryxiltan

## Passions

Varun collects rare art, books and other symbols of culture and locks them away simply so aristocrats can't use them

## Secrets

Varun is one of very few who know that the Bakerfield family is now run by a Lich who lives across the continent using the family's resources to further his quest to become a god. Varun also knows where all of the bodies are buried (metaphorically because he has his finger on the pulse of the city, and literally because he put a lot of the bodies there.)

**Special Equipment**  
Varun's great club, "Widowmaker", is never far from his grasp. It was imbued with a strong magic that makes it easier and faster to wield by the Lich whom he secretly serves. Mechanically, it is a +3 magic weapon. Varun has had this club since he was a teenager, living on the streets of Underboot [or any slum in the major city who's criminal underworld he now runs]. He could barely wield it then.
