A regal looking elderly elf awaits inside the Eldritch Bookshop. "Good day friends! We have all the latest editions!"

White-haired and wizened, though still very gaunt and regal. Well-dressed and clean.

"I'm sorry, we don't carry dirty books here", "We may have some toms to your liking, but they're definitely not cheap"

Slow and feeble, walks with a staff

He loves books and the pursuit of knowledge

PERSONALITY

Llewellyn is a very old man even by elf standards. He's spent much of his life travelling around the realms collecting books and studying lore. As he grew too old for the life of an adventurer, he settled in the city and opened a store to display and pass on his huge collection.

He is always interested in bringing new lore and historical volumes and can become distracted and talk at lengths about history, and arcana. To him, knowledge is its own reward.

During his travels he has collected a number of magical tomes and scrolls which he keeps under lock and key at the shop. A player would have to heavily impress him to sell one of them though and even then, they would be very expensive.
