**BACKGROUND  
STORY**

The racial mixing  
between Elves and  
Humans is no mystery.  
The two races, each  
believing themselves the  
noblest in the realms,  
inevitably settled in the  
same regions and would  
inter-marry. The  
DeFeywilde family are an  
example of how the nobles  
of each racial lineage  
sought to establish a  
peaceful and lasting bond  
through the creation of a  
mutually beneficial  
political and racial  
ideology that served the  
best interests of both  
humans and elves.  
Pyc has cultivated this  
lineage and pursued the  
proliferation of peace  
throughout the realm. She  
has been taught that  
nobility is not a birthright,  
but something established  
through action and self-  
presentation. Her clan  
would labor over textiles  
and fabrics to develop a  
standard of regal dress  
that they believed ought  
to be held by all members  
of the kingdoms. She  
doesn't frown on those  
who aren't well-kempt, nor  
does she sympathize.  
Rather, she genuinely  
empathizes with those  
who have resigned  
themselves to the 'less  
finer' things in life and  
advocates for the vital role  
that one's self-  
presentation takes in daily  
activities and overall  
destiny.
