Combat Tactics

Cal isn't a coward. His mental state ensures that he loses track of his well-being and launches himself into combat. He will bounce from opponent to opponent switching from his staff to fists in a blur of martial artistry.

ROLEPLAYING

Introduction

Cal tends to stay in safer spaces where guards are in sight. With mild agoraphobia he prefers being at gates or roadways that permit travel or a quick escape. He will approach seemingly courageous adventurers to ask if they would help him regain control of his lands.

Appearance

Cal is a tall and gaunt firbolg with pale yellow-ish skin and wild bark colored hair; his bulbous nose radiates pink and reddish hues; he is covered in various scars; he wears clearly inauthentic royal garb that is dirty and torn

Expressions

"Don't you know who I am?!!"; "I ought to have you thrown into the dungeon of Carmite for that transgression!"; "The villainous scum of this region will feel my full wrath!"; "I must consult with the rest of my circle about these transpirations"

Mannerisms

Gestures in what appears to be very
 official and regal ways; Questions
 adventurers and passers-by on their
 bloodlines; Consistently making political
 speeches and promises and demanding the
 loyalty of those around him to the 'Order of
 Indontus' (Does it exist???)
