Local Guards

ROLEPLAYING

Introduction

Chloe is that 'bored-looking-guard'. She will specifically make contact with adventurers who are passing through that look like they are willing and capable to stir the pot and cause a bit of 'no no' amongst the population.

Appearance

Rather plain jane appearance - couldn't be picked out of a crowd; Wearing the armor of the local militia acting as watchmen for the city/town; In off hours, Chloe wears bland dresses and tops but pays close attention to her hair and shoes as though compensating for her rather average appearance

Expressions

"Can't make wine outta olives - some call me an olive, but I know I'm a cherry!"; "Keeping the peace seems foolhardy when its the Kings and Queens that cause the conflicts in the first place"; "I say 'Stick it to em', gold-hungry scoundrels, they are";

Mannerisms

Timid at first glance but courageous spirit, Chloe will often avoid engaging with others; Order/task oriented - goes from standing still to pointing and gesturing to the next task at hand; Most often found reading through her list of ingredients for her wines and her methods of making them; Sometimes throws a wrench in the gears of watchkeeping

Motivations

Chloe wants to know as much as possible about fine wines and wine-making; more so than performing her duties for local magistrates. She also seeks to undermine law and order in the town or city where she serves.

Passions

Winemaking; Sommelier; undermining watchkeeping and the power of the masgistrates and royalty
