Combat Tactics

He's a quick draw and a decent shot with his hand crossbow, so he'll always start with that but he's definitely not above getting blood on his hands if necessary

Hand Crossbow | Dagger

A one-eyed man behind the bar meets your gaze as you enter the run-down tavern.
"Whatdya Want?" He says with a scowl

balding with a bad comb-over, one eye covered with a leather patch. Plain grubby clothes and a dagger on his belt

"We've got one kinda ale, take it or leave it",
"Nah we don't serve food here", Finish yer drink
and kindly leave"

a perpetual scowl on his face, rubs his hands together like they're cold all the time

Money, Protecting the local thief's guild's secrets

Stabbing people he doesn't like

He's the gatekeeper to the local thief's guild which has a secret entrance in the back of his dive bar

BACKGROUND STORY

Steve grew up working the streets, fighting and stealing to survive. He's an accomplished pickpocket and in his youth had a reputation as a break-in specialist. He's an angry cold-blooded fellow who has no qualms about stabbing first and asking questions later. As he aged, he became less adept at execution and worked more on the planning side of robberies. One time his greed got the better of him and he betrayed his allies on a job. As punishment, the Thieve's Guild took his eye, stripped him of his responsibilities for planning jobs and stuck him behind the bar at the tavern that hides their secret hall. He's basically a glorified doorman for the guild and he resents every second of it. He does however, have a permanent reminder to not betray the guild again. He's

mean and doesn't care for serving customers at all, he gets paid whether anyone is drinking or not. He keeps a hand crossbow behind the bar and a dagger on his belt in case any trouble makes it past the security outside the door
