BACKGROUND STORY

<p>With nothing but selfish goals, Wureok entered the local guild of Magic Arts and, with exceptional cunning and charisma, worked his way into an internship with the castellan. Using his raw magicks and ability to influence others, he ousted the castellan, convincing the noble family they served that he was an imposter - a foreigner looking to undermine their power.</p> <p>Gain trust of the royals over decades and generations. Wureok has, at least on the surface, always been an exemplary court official. He watched over the castle and surrounding villas with attention to detail; especially when it came to collecting taxes and scutage.</p><p>He organized a growing rebel faction among the peasants and townsfolk, using the pretense of helping them against their benefactor, then twisting the stories of their success in reports to his benefactor. He thereby provided a further reason for his position, for the noble family's exploitation of the common-folk, and for the family to further insulate themselves from the outside world.</p>
