Glotys loves to spread word of the quality of her honey products. She keeps busy throughout the market place selling her edible honeys in the forms of jarred honeys, jellies, crystals, and so forth, partnering with bakers, chefs, and candymakers. Often scratching herself or applying ointments to bee stings. When she smiles or laughs, which is often, Glotys covers her mouth childishly.

Glotys is driven to discover new and exotic flora for her bees to pollinate and thus make different honeys. She is also quietly motivated to quell the conflicts between races. She's convinced herself that the answer is 'Honey'.
