## BACKGROUND STORY

<p>Trileah grew up in a somewhat traditional halfling family, except th  
lived in a clan who had imbricated  
themselves into broader civilization  
and, consequently, couldn't exactly  
follow those traditions as they norr  
might have. A family of artists and  
musicians might <i>sound</i> fun  
but it was all the sound that She  
reflects on with contempt.</p>

<p>Trileah was born with a strange condition that impacted her body's finer functions: growing hair, sensor perception, etcetera. Her hair would grow in clumps and sometimes not at all. Her senses are not heightened but rather, highly irritable. Particularly her ears. This didn't bode well in a noisy household and she grew a serious disdain for loud noises.</p>
