# BACKGROUND STORY

Orcish raids certainly  
aren't limited to Western  
Realms. As the orcs  
expand their grip on the  
land through broad  
diasporas above and  
below ground, the far-east  
has experienced similar  
challenges. Plunder,  
pillage, bloodshed, and,  
unfortunately, rape, are all  
among the impacting  
factors.

Reed is a product of these  
raids. Raised in a semi-  
noble house of militant  
samurai, Reed's natural  
abilities became apparent  
to his family and their  
samurai masters. He was  
a natural fit for their  
training and military  
crusades.

Over time, Reed's clan  
spread far and wide in  
their explorations and  
claims to various regions.  
His soul has become that  
of a wanderer. Make no  
mistake, however,  
because Reed is not a  
Ronin. He stands devout in  
his devotion to his family  
and their military  
objectives, acting as a  
diplomat, messenger, and  
trader of their fine goods.  
Often receiving mass  
imports from his home, he  
busies his days refining  
and sophisticating his  
market booth and  
managing his inventory to  
best provide an authentic  
experience of his culture.
