ROLEPLAYING

Introduction

With her fervent work ethic, Eleanorious will set up a stand in the market or even outside of an inn or tavern. She lugs a small cart with her alchemy set and sales stand everywhere she goes. A party can run into her just about anywhere trying to sell her tinctures, lotions, potions, and ointments.

Appearance

A small feminine copper dragonborn with unusual horns and scales that glitter; dresses very flamboyantly, with tapestry-like cloaks and capes that flow over her limbs and tumble to the floor

Expressions

"Mix and match, there's a good batch!";
"Tinctures and solvents beat diplomacy every time"

Mannerisms

Flamboyant and dramatic gestures; Smiles and laughs often; Likes to spit small globules of her acid breath into the air and catch it in her mouth with a smile, a "ta-da", and a dramatic gesture;

Motivations

To promote the power and instrumentality of alchemy as a solution to everything from poverty and hunger to disease and even death itself.

Passions

Alchemy; Draconic origins; Languages of all kinds

BACKGROUND STORY

Eleanorious hails from a re
clan of golden Dragonborn who
have integrated themselves w
into the ruling population of th
region. The Murr family,
especially, have developed
meaningful emotional and
economic relationships within
Xhontapys [Major Trade City] a
positioned themselves well as
purveyors of finer goods within
trade nexus.

With a kn
for measuring volumes by eye
comprehending chemical
reactions prior to mixing
ingredients, Eleanorious traine
with various local phylacteries
and alchemists to learn this
remarkable trade. She has
become well-known for her
expertise as well as her pleas
personality, fine work-ethic, an
her good fashion sense.
