BACKGROUND STORY

Methuselah "Thuse" Cade be one of the greatest investigators in the world. She began her career as military police, learning investigation interrogation techniques in addition to her martial training. After her military obligation was done, she left and became a Watch Detective.

She quickly established a reputation as one of the most thorough and effective investigators the ranks had ever seen, despite not necessarily doing so "by the book". Her unorthodox methods ruffled many a feather in the ranks of the guard and city watch as did her willingness to investigate any case till its conclusion. Even if that conclusion was her superiors, city or church officials.

One such investigation involving several missing children pointed to a temple and she was murdered for her trouble. Thuse is a Revenant. Returning from the dead with a mandate to hunt and reek vengeance on child killers. In meantime, she takes any case she finds interesting to pass time.
