ROLEPLAYING

Introduction

Chloe is that 'bored-looking-guard'.
will specifically make contact with
adventurers who are passing through
that look like they are willing and
capable to stir the pot and cause a
of 'no no' amongst the population.

Appearance

Rather plain jane appearance - could
be picked out of a crowd; Wearing the
armor of the local militia acting as
watchmen for the city/town; In off hours
Chloe wears bland dresses and tops
pays close attention to her hair and
shoes as though compensating for her
rather average appearance

Expressions

"Can't make wine outta olives - some
me an olive, but I know I'm a cherry
!"
"Keeping the peace seems foolhardy
when its the Kings and Queens that
cause the conflicts in the first place"
say 'Stick it to em', gold-hungry
scoundrels, they are";

Mannerisms

Timid at first glance but courageous
spirit, Chloe will often avoid engaging
with others; Order/task oriented - goes
from standing still to pointing and
gesturing to the next task at hand; Most
often found reading through her list of
ingredients for her wines and her
methods of making them; Sometimes
throws a wrench in the gears of
watchkeeping

Motivations

Chloe wants to know as much as possible
about fine wines and wine-making; more
so than performing her duties for local
magistrates. She also seeks to
undermine law and order in the town
city where she serves.

Passions

Winemaking; Sommelier; undermining
watchkeeping and the power of the
magistrates and royalty

BACKGROUND STORY

<p>Born and bred in the
middle class market district
of the city of Johseville
[Any major city], Chloe
gained both a taste for and
disdain for bourgeois
comforts. Both of her
parents were political
advisors and urged Chloe
into the same vocation but
Chloe was rebellious in her
youth, causing all kinds of
trouble with local
merchants and incoming
adventurers. She was
particularly notorious for
getting so drunk on cherry
or apple wine that her teeth
would turn colors. One night
she broke into a local wine-
maker's facility and stole a
small barrel of wine and
decanting equipment. Her
parents quickly grew tired
of this behavior and
enrolled her in the local
militia.</p><p>Needless to
say, Chloe's dichotomous
attitude continued into her
years of training with the
militia. She enjoyed the
challenge and growth but
despised the regimen and
boundaries. As a coping
mechanism to bring more
joy to her life, Chloe turned
back to wine. She's been
charged with dereliction of
duty on numerous
occasions. However, since
her parents are high-
ranking political advisors
she has protection against
any kind of discharge from
her duties. Consequently,
she floats through her
duties during the day and
returns to her passion for
wine-making at night. She
has a small tent outside of
her family home within
which she practices
methods of decanting late
into the twilight hours.</p>
