# BACKGROUND STORY

Hadoovra is a mountain  
dwarf that has left the  
mountains and moved to  
the city. After fighting her  
way through architectural  
and engineering school, she  
works hard every day to  
prove herself in a male  
dominated industry. Her  
fierce drive to master her  
craft and get ahead has  
made her well know and  
respected in her vocation,  
but she is also well known  
for letting her temper get  
the better of her. Her strong  
work ethic has also lead to  
a bit of a drinking problem  
in he relaxation time, which  
also does not help her  
temper at all
