Introduction

The din of dining and drinking succumbs to a surprisingly gruff voice of a surly halfling woman. "Ok, ok. Settle down!"

Appearance

She's mostly bald with a thick unkempt mustache and a five o'clock shadow, sloppily dressed and bags under her eyes

Expressions

Git yer ale and grub in ya and keep it down. This is a classy joint

None can make this world better

Mannerisms

Unusually surly and leathery for a halfling. Bald head, no eyebrows. Sleeveless tunic and tight felt jerkins.

Motivations

Not much motivation, really, besides trying to keep her patrons in order and keep a modicum of peace and quiet.

Passions

Peace and Quiet.

Background Story

Trileah grew up in a somewhat traditional halfling family, except they lived in a clan who had imbricated themselves into broader civilization and, consequently, couldn't exactly follow those traditions as they normally might have. A family of artists and musicians might sound fun, but it was all the sound that She reflects on with contempt. Trileah was born with a strange condition that impacted her body's finer functions: growing hair, sensory perception, etcetera. Her hair would grow in clumps and sometimes not at all. Her senses are not heightened but, rather, highly irritable. Particularly her ears. This

didn't bode well in a noisy household and she grew a serious disdain for loud noises.
