Dark Magic

**Secrets**

She is the matriarch of the Dumas Family Cult. She is actually over 200 years old due to her pact with a powerful devil who is the family's patron

**Background Story**

Many years ago, after the murder of her wealthy husband, Anastasia made a deal with a powerful devil for the power to seek revenge on her husbands killers. This deal gave her immense power in return for sending souls to the devil to feast upon. The deal has greatly extended Anastasia's life span, but has not stopped her from aging. As a result, she has become a frail, withered old raisin of a woman. This has in no way diminished her powers at all, on the contrary her magics are more powerful than ever. In the service of her devil master, she has built the cult known as the "Dumas Family", some of which are actual blood relatives and descendants, but most of which are cultists , followers and hangers-on. Her cultists cultivate the follwers and the best of them get innitiated into the family and the rest become sacrifices to their patron. The Family has developed an evergrowing following and because of Anastasia's power, keen mind and ruthlessness has made deep inroads into many local institutions including guilds, noble houses, city hall, the city watch and possibly even further. Because of her growing infirmity, she has predominantly become reclusive in the family home and passed all of the more public duties of leadership to her grandson Nickodeamus, a cocky and vicious litle cur. However, she still performs most of the communion and sacrificial rites to her patron herself. She spends more and more time in a fugue state communing with her patron and less and less time in lucidity. She is capable of great feats of magic but will almost never engage in extended combat. If she can't immediately dispatch her eneies within or before the first round of combat, she will summon and allow her family to do her fighting for her and use her magic to make her escape as quickly as possible. It is unclear what her or her patron's endgame is beyond the accumulation of power and the devouring of souls, but theres no way it's good for anyone.
