BACKGROUND
STORY

Reina was cursed as a
young child, possibly for
something her outlander
parents did. She was given
the Curse of the Forgotten
which allows only
characters with high
perception (16) to even see
her and only characters
with exceptional perception
(19+) to remember she
exists if they aren't directly
looking at her. This has left
Reina to raise and fend for
herself from a young age.
She longs for friends and
connection while doing
what she needs to to
survive. She longs to return
to the barbarian clan that
forgot her as a child but
lives on city streets as a
pick pocket and thief. What
Reina doesn't know about
herself is a very dangerous
secret for everyone.... Reina
is The Wraith! Her curse is
actually a spell put on her a
spymaster of the assassins
guild at the same time that
he murdered her tribe and
created her split
personality. When her skills
are needed a simple
subliminal phrase brings out
the Wraith, the realms
deadliest assassin, and
Reina never remembers a
thing.
