Special Equipment

- **Belt of the Sacred Mount.** Wondrous Item (waist). Rare, requires attunement by a paladin. A leather belt with plates of steel every few inches. The belt buckle depicts a golden horse head. When the wearer summons a creature with the Find Steed spell, the creature gains a bonus to attacks, damage, and AC equal to the wearer's proficiency modifier.
- **Compelling Maul.** Magic Weapon. Uncommon, requires attunement by a paladin. A comp. weapon is gaudy and covered in fine metal gems and is slightly larger than an average weapon of its type. It deals a bonus 2 psychic damage with each hit. When the weapon scores a critical hit, the weapon casts Compelled on the creature hit. Creatures immune to charmed condition are immune to this effect.

Combat Tactics

Morion is a very dangerous opponent. Particularly because he is rarely alone and usually accompanied by a number of warforged warrior priests. As a combatant he will often use divine abilities to manipulate the situation before charging forward with his Compelling Maul.
