ROLEPLAYING

Introduction

Often encountered while working a contracting job on a home or business such as a tavern or inn. Performing some roofing or general repairs he shout out to ask a party to pitch-in some gold in return. May also approach sinister looking adventurers with an offer to 'free the land' from the vile clutches of humans or some other race and ask him/her to 'off' a few members of said race.

Appearance

Stout and muscular - barrel shaped; Tanned reddish brown skin; Deep brown dreadlocks with blonde highlights; various scars on his body and one on his right eye;

Expressions

"If you gots a need, I do the deed"; " (Glancing around at the buildings) Poor craftsmanship. Damned (elves/humans) couldn't build quality if they tried"; "Each of you need to learn discipline. Take up a good trade. This ugly place needs better tradesmen"; "Those damned elves a full of pigshit. We'll get rid of 'em eventually"; "Petty humans and their politics. I say, kill 'em all. They're all the same";

Mannerisms

Speaks in something of a low growl; Easily distracted; Will forego tasks to complete a puzzle; carries small wooden sliding puzzles he built wherever he goes and uses them to answer to problems he's facing; always pointing out the differences between the races yet can't tell the difference between members of the same race.

Motivations

A paradoxically deeply racist multi-racial individual, Albrecht experiences his greatest joy when human or elven populations are diminished in numbers. He is also highly driven to have a hand in as many building projects in his current town or city so he can brag about his renown.

Passions

Woodworking; puzzles; racism
