**BACKGROUND  
STORY**

<p>Llewellyn is a very old man, eve  
by elf standards. He's spent much o  
his life travelling around the realms  
collecting books and studying lore. .  
he grew too old for the life of an  
adventurer, he settled in the city an  
opened a store to display and pass  
his huge collection.</p><p> He is  
always interested in bringing in new  
lore and historical volumes, and can  
become distracted and talk at lengt  
about history, lore and arcana. To h  
knowledge is it's own reward.</p><  
During his travels he has collected a  
number of magical toms and scrol  
which he keeps under lock and key  
the shop. A player would have to  
heavily impress him to sell one of th  
though, and even then, they would  
very expensive.</p>
