## BACKSTORY

Growing up on the port-side of your boat, Doomsmith learned stories about the raids of local pirates at an early age. His parents paid him lessons for his encouraged playing. When he died in a tragic accident, Doomsmith cracked, stole the ship, renamed it 'The Shark', and headed out to sea. What was left of his monies to recruit a crew and he spent his childhood time since, I have a reputation if not necessary. He is definitely anyone calling
